### 3R's - Reclaim, Refurbish and Recycle

Classic Furniture has many years of experience reconditioning contract furniture. At a time when budgets are severely restricted our new 3R's service is not only an affordable way to reinvest in your pub, but also a chance to rethink the strategy of your existing loose and fixed furniture especially with the environment in mind. ### Industrial "Revolution" Collection

As the Industrial Trend becomes contract chic, there's no better place to look for a Collection than the original birthplace in Ironbridge, close by to Classic Furniture in Newport, Shropshire. Our new "Revolution" Collection made from metal and reclaimed timber softens the look of modern-day, clean-line furnishings, but still provides a robust contract solution.
