

The furniture company that looks to the future

### Classic 3 R's

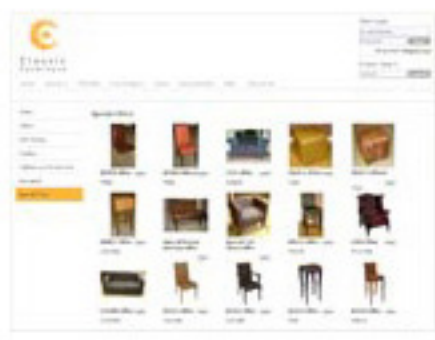

The new Cost Effective and Environmentally friendly Solution to buying Furniture.

Classic has many years experience reconditioning contract furniture for some of the biggest high street names, but the last 12 months have taught us to adopt a new environmental approach. It works for them and can now work for you!

At a time when budgets are restricted, our new Classic 3 R,s Service is not only an affordable way to reinvest, but a chance to rethink the strategy of your existing loose and fixed furniture especially with the environment in mind. Please register your interest in this new service either on our [website](#) or contact us by phone to discuss.

### Special Offers

As part of the benefits of our new website, we are now able to easily update our "[Special Offers](#)" section with Products that are either slow moving, slight seconds or returns together with quantities and prices. The picture is rapidly changing so please bookmark the page for ease of access.

### We Have Moved & Improved our Production facilities

Classic now has a twin site in Audley Avenue, Newport, Shropshire, firstly 30,000 sq ft of Modern Offices, Showrooms together with Reclaimed Retro,s Warehouse Showroom, secondly a modern well equipped 42,000 sq ft Production Facility, which reinforces Classic's in house semi manufacturing capabilities.

As part of the Opening Ceremony of our new facilities, we cordially invite you to make an appointment to view and share the increased benefits that are now available to you.

If you don,t have the time, don,t worry, we've posted some location shots to give you a small impression of the new Classic for the new decade.
